

Arcadia has begun the planning process for 2026 with budget preparation and evaluation of service delivery.

We are asking residents for constructive feedback on services and areas of importance you would like Council to consider in the upcoming year.

Please email info@arcadianb.ca by Tuesday October 7th at 4pm with your feedback.

If you do not have access to computer or email, please contact our office at 506-488-2581 and we will ensure your feedback is collected.
